

### Appendix 3

## Analysis Worksheet

Who was the author of the document?

What was his or her position/title?

What type of document was it?

What is the year of the document?

Who was the audience addressed in the document?

List three or more points that the author made that you feel are of key importance.

Why do you think this document was written? (What evidence in the document helps you know why it was written?)

What does this document tell you about life in the United States at the time it was written?

Do you feel that there is a question(s) unanswered by the document? If so, what additional question(s) would you want answered?
